### Tuition policy

Tuition payments are due according to the payment plan selected (either Plan A, B, C or D). If your child enters SFMA mid-year, the annual tuition is adjusted and pro-rated accordingly. Payment plan D requires enrollment in Tuition Express, where tuition payments are made by ACH debit from a checking or savings account.

Upon acceptance to South Florida Montessori Academy, we will request the enrollment fees. Payment of these fees confirms your intent to enroll your child at South Florida Montessori Academy for the 2024-2025 academic year. Enrollment fees and tuition are not refunded after the school year commences.

All late payments will be subject to \$30 late tuition payment fee. A fee of \$35 per occurrence is charged for returned checks and ACH drafts. Application, registration, material fees and tuition deposit are non-refundable.
